

International Student Guide: Renewing your study permit

You may have to apply to Immigration, Refugee and Citizenship Canada (IRCC) to renew your study permit if your permit will expire before you will complete your program of study at NSCC. Please note that if your passport is expiring, you must apply for a new passport before applying for your study permit. Also, if you intend to work in Canada after you graduate, you will need a valid study permit when you apply for your post-graduate work permit.

Please note: If you are a full-time student enrolled in a program that leads to a certificate or diploma, your study permit allows you to work on campus and allows you to work off-campus 20 hours/week and full-time during school breaks (December holiday and summer).

Follow these steps to apply to renew your study permit online:

1. Create your MyCIC account using GCKey or Sign-in Partner/Log into MyCIC

If you are a new user, you will need to create your MyCIC account through GCKey or Sign-in Partner at www.cic.gc.ca/english/e-services/mycic.asp. Your Client ID (8-digit number from your study permit) is required to complete the registration. DO NOT use your passport number to register!
