

International Student Guide: Renew your Study Permit

You may have to renew your study permit if your permit will expire before you will complete your program of study at NSCC. **If your passport will expire soon**, you must apply for a new passport **before** applying for your study permit. Also, if you intend to work in Canada after you graduate, you will need a valid study permit when you apply for your post-graduate work permit. Ensure you have 3 extra months after your studies officially end.

Follow these steps to apply to renew your study permit online:

1. Create your MyCIC account using GCKey or Sign-in Partner/Log into MyCIC

If you are a new user, you will need to create your MyCIC account through GCKey or Sign-in Partner at www.cic.gc.ca/english/e-services/mycic.asp. Your Client ID (8-digit number from your study permit) is required to complete the registration. DO NOT use your passport number to register.

Complete the questionnaire

Scroll down to “**Start an Application**”, and choose “**Apply to come to Canada**”. You should not have a personal reference code at this time, so scroll down to “**I do not have a Personal Reference Code**”, and click on:
