

## **STUDENT ELIGIBILITY**

This program is open to students from Business Administration and International Business programs. Students must be in good academic standing.

Successful students will have the possibility of receiving work term equivalency and will be decided on an individual basis by the relevant Academic Chair.

## **EMPLOYEE ROLE**

Selected employee will visit the Netherlands during the summer school to meet with the local partners, get an overview of the program to determine suitability for NSCC students and discuss future opportunities for students and employees. Upon return to Nova Scotia a report will be written by the employee with feedback and other comments pertaining to the opportunity.

## **SELECTION CRITERIA**

- Must be an employee from the Business Administration or the International Business programs
- International experience considered an asset.
- Must have a valid passport or the ability to get one.
- Commitment to applying learning that is gained in future work with NSCC.
