

Kenya Education for Employment Program KEFEP-05

PROJECT/INITIATIVE

The Kenya Education for Employment Program (KEFEP) is funded by the Government of Canada and managed by Colleges and Institutes Canada (CICan) in collaboration with the Kenyan Ministry of Education (MOE) through the State Department of Vocational and Technical Training's Directorate of Technical Education. KEFEP aligns with the MOE priorities of providing education guided by the principles of access, equity, quality, and relevance. KEFEP's ultimate outcome is to provide increased economic opportunities for male and female graduates from Technical and Vocational Education and Training (TVET) institutions in Kenya.

The local partner, Kenya Coast National Polytechnic (KCNP), decided to focus on competency-based education and training (CBET) curriculum development and teacher training on: (1) Electrical Engineering and (2) Hospitality and Tourism Management.

SERVICES PROVIDED

- Development of curriculum materials and lesson plans that will be gender- and industry-responsive while integrating environmental sustainability considerations.
- Development of stand-alone modules for entry-level training.
- Integration of entrepreneurship and gender related aspects into the curriculum.
- Competency-based education capacity building of instructors.
- Leadership and management capacity building.

RESULTS ACHIEVED

- Completed inception stage resulting in the development of the project implementation plan and budget.
- Initiated planning for and implementation of project activities in the areas of curriculum development, teacher training, mentorship, and leadership and management.
