

NSCC INTERNATIONAL PROJECTS PROFILE

The Nova Scotia Community College (NSCC www.nscC.ca) was established in 1988 as a publicly funded post-secondary institution in the Province of Nova Scotia, Canada. NSCC is an applied learning college, working with local communities and industries to support economic and social development.

Over 130 programs are offered through five academic schools: Access, Education and Language; Business and Creative Industries; Health and Human Services; Technology and Environment; and Trades and Transportation.

NSCC collaborates with industry partners to design programs that meet workplace

demands and industry standards. NSCC promotes excellence in technical and vocational teaching and learning, recruiting faculty from industry and providing in-house teacher training for an adult applied learning context. NSCC programs are offered at 14 campuses to 10,000 full-time and 15,000 part-time students.

NSCC International (international.nscC.ca) provides leadership for NSCC's international activities. This includes working with international partners on externally funded technical assistance projects.
